DESCRIPTION This is pure Syrah at its best: concentration, length, and balance. The fine jasmine flower with lush, perfectly ripened fruit from melon, rose hip, pomegranates, and peach is multifaceted and juicy but never intrusive – also because fresh acidity supports it well. On the palate this wonderful impression is complemented by a noticeable body as well as a good grip. As such it turns the sum of its parts into a real indulgence. However, it's the finesse that makes the difference with this Rosado – the most beautiful sign of solid craftsmanship. Now that Rosé becomes more and more appreciated, it is also due to this one of a kind.
